

Antenna with RF exit to connect to access point:

02188

WIFI

Length

35 cm

Weight

400 gr

Fittings

1"-14th male or 1" Gas bolt

Structure

Epoxy fiberglass

Finishing

Polyurethane paint

Frequency

2400-2500 Mhz

Impedance

50 Ohm

Max Power

5 W

Polarization

vertical

Connection

8 Dbi

Lightning protection:

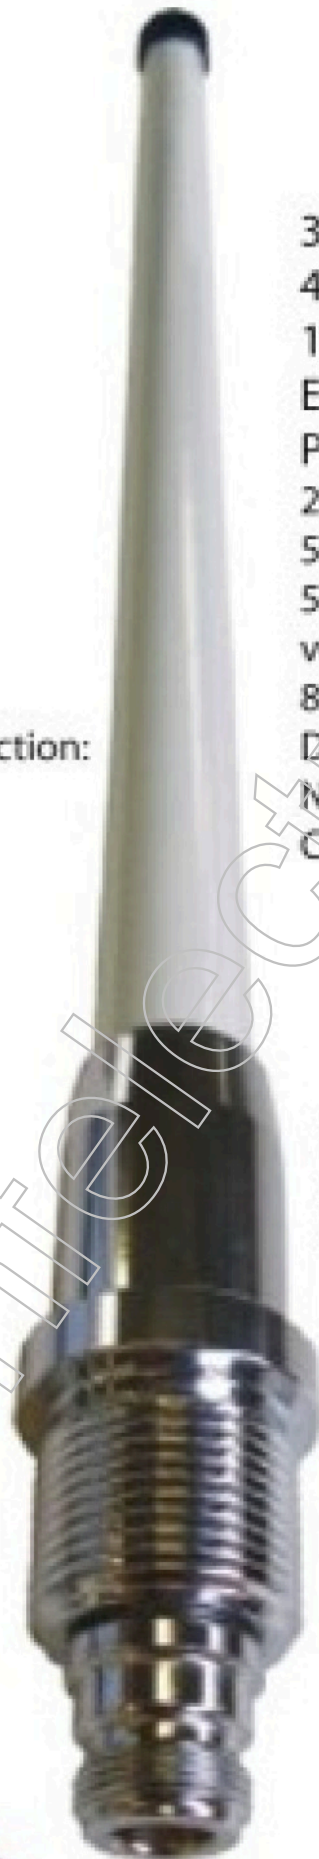

DC Ground

Connector

N female

Antenna Type

Collinear Dipoles

0,60 mt

02188

N connector
